

powerturf 4.0

Product data sheet no. 9174 - R - 05

Issue: January 2020

SPORTEC® powerturf 4.0 is the customised artificial turf for your gym. Thanks to its very high density, the turf can withstand the high demands of floor exercises, sprints or training with a weight sled. **SPORTEC® powerturf 4.0** offers you the opportunity to design your artificial turf entirely according to your own ideas. The artificial turf is used without infill material.
