

# KALAHARI

## The diversity of Africa.

The special charm and unique beauty of Kalahari can be seen in many things. The wide quilted landscape and fertile oases, the unique wildlife and the remarkable way of life of the Bantu people with their traditional handicrafts have inspired the Kalahari collection. All of this is reflected here in abstract images of sand drifts, in vibrant motifs from the animal and plant world and in impressive designs inspired by the culture of the different peoples of this particular part of Africa. Let the journey begin. And simply from your own sofa!

## Hideaway under palms

This non-woven wallcovering will immediately create an exotic oasis on any living room wall. The interplay between different textures is as masterful as gloss-matt effect. The flamboyantly textured background forms the backdrop. The variety of palm leaves and grasses are presented with a light, relaxed texture. The random shimmer makes this wall decoration perfect.
